### **Old Business:**

**October Cruise** – Larry was in attendance via phone and explained what had transpired with the scheduling of the October cruise date.

**July Picnic** – Tony was not in attendance at the meeting but reported via email that he was able to have a check made to give to the grange to reserve our picnic date of June 26<sup>th</sup>. After some discussion we decided that it would be a good idea to put another newsletter together and be mailed out by the end of May. The information should have the picnic and all other upcoming club events through the rest of the season.

**Dash Plaques** – Norm will produce the dash plaques again this year. Larry will put together a list of members that had emailed photos of their vehicles last year in hopes to get on a dash plaque. That info needs to get to Dave Curran as soon as possible since the first cruise is coming very soon in April.
