### Old Business:

Joe Barone reported the last cruise was good, lots of spectators. The fire company is doing good with each cruise bringing a little more income.

The Maple Shade Show went OK, less cars than last year but still an OK turn out. Next year we hope to do better with more organization on their part with a few recommendations from the club to streamline the event.

Jim Thorpe National Night Out event on August 4<sup>th</sup> went OK. We did sell some raffle tickets but not as many as we hoped. Next year we will request a better spot hopefully inside the building or on the walkway to get better participation from the spectators.

### New Business:

We have an application for 1 new membership:

Charles Cales of Leighton, sponsored by member Richard Beers.

Motion was made by Joe Barone, all were in favor, motion carried.

Joe Barone stopped by Valley Athletics in Lansford. The last time we did anything was back in 2013. We will look into getting together some items to sell.

Tim will send out an email blast to get some responses on interest for a Christmas Party December 9<sup>th</sup> and also any interest in having the club participate in the Lehighon Halloween Parade this year, date to be announced.

Joe brought up an idea to think about moving the cruises from the last Friday on the month to the first. Idea was tabled at this time.
