### **Old Business:**

Albrightsville Car Show – The board got together on Wednesday May 2<sup>nd</sup> to go over business for the meeting. It was decided at that time to not proceed with holding the car show scheduled for June 24<sup>th</sup>. Tim called those in charge of the event to pass on the news. The following day we received correspondence from someone on the horse side of the event that they felt we were not doing the right thing and felt it was wrong.

It has been decided that we must go forward with the show because we committed the club back a month or two ago. There was discussion on the floor on all of the issues pertaining to the show to include advertising, sponsors, award classes, volunteers, etc.

We will continue to go forward with the planning.

Donations - The board of directors decided not to go any further with the donation list issue. We will continue to do what we've done in the past and that is present correspondence at the meetings for those in attendance to vote on.

Franklin Car Show – We have a signup sheet for volunteers to park cars and sell 50/50 tickets.
