

Minutes June 11, 2014

7:07 PM

Meeting was called to order followed by the Pledge of Allegiance.

Secretary's report was read and approved by:

1. Ed Bailey
2. Tim Koch

Treasurer's report was read and approved by:

1. Tom Whitely
2. Joe Boyle

Paid Members as of this date is **58**

**Old Business**

Question was raised about the process for new members. Should new members be sent to Tim? There are still some members that do not have an email.

Tim asked if he could have a spread sheet of members that when they come to get pictures of their cars for the website, he has the right information for the right person he is photographing so mistakes are not made to put the right car with the right owner.

Advertising for the club was discussed. To put the ad in the Times News the cost was \$15.40 to run for this coming weeks cruise. I gave the information for Dollar A Hollar on WLSH and this will be looked into for future cruises. Ad would run Monday thru Friday. Also it was asked if a budget should be set for advertising and a \$15.00 limit was agreed. Questions asked were: Should ad be run for the week of the cruise? Joe asked how much is being spent for our postage and other supplies needed to do updates for our members and Barbara said around \$100.00 for stamps. Barbara explained that we did newsletter mailings, which were done twice a year, send our tickets for the drawing to all paid members and the cost of paper, envelopes and the printing which is not included in the stamp cost. Since Barbara always did the printing of most of the things sent, it was a saving to the club.

Joe asked about how many more members will pay and it was an estimate of maybe 10-15.

Motion to advertise on Radio WLSH the week of the cruise was unanimously agreed by all in favor.

It was suggested that we could do a poll at the cruise to ask those in attendance how they heard about the cruise to see if the advertising is working.

Joe spoke to the owners of the **Bagel Bunch** and they understood the conditions of why we couldn't do a Cruise there this year. They would look into trying to fix those things that in the future we could maybe do one there.

A THANK YOU was expressed to Ed Bailey and his son-in-law Matt Rawlins for doing the 50/50 tickets at the Sunday cruise.

Strawberry Social was a nice event. Tim spoke to one of the members and he said they are doing these events to add a new building at the church.

Tim spoke to Yvonne and she has our cruises posted on her web site.

Tim also asked for a list of our charities so he can make a listing that we can have on display at our cruises.

### **New Business**

Should Lions club make decision for our car club? This was discussed in length. We will keep an eye on upcoming event.

**Hemmings Great Race**, which travel from Maine to Florida, will be pulling into Pocono on June 23, 2014 at 11:15 if anyone is interested.

Members that are ill at this time are Gene Mertz. Open Heart Surgery and our past president Jim Hauser who is suffering with congestive heart failure. A heart felt GET WELL WISH going to them from the club.

After all business was addressed motion to adjourn the meeting was approved by:

1. Ed Bailey
2. Andy Yurchak

8:10 PM

Respectfully submitted,  
Wilma Hoppes, Secretary
