Old Business:

July Picnic – All plans are on track for June 26th.

Dash Plaques – Larry commented that he was very pleased with the Dash Plaques showing the car as the main focal point. He thanked Dave Curran for his diligence in handling this project. The workmanship is top notch and delivery is in a timely manner. Joe Barone will keep the flow of pictures to Dave for future dash plaques.

Door Prizes – A thank you note along with the first dash plaque with all the cruise date was sent to all 3 stores thanking them for their contribution of door prizes for our Friday night cruises. Omitted from last month's minutes was the fact that door prizes were reduced from 12 to 10 per cruise.

New Business:

Larry announced that the bank is no longer requiring two signatures on checks although we were never notified. The Club will continue to require two signatures as a safety precaution. Larry will make an appointment at the bank for JoAnne and Steve to sign signature cards. He will have names of former board members removed.

Larry asked for volunteers to work the Tamaqua Car Show on June 19th. He stated he would put out an email blast to all members. It was noted that last year only 3 members were available to work and they did not have the equipment or materials needed to conduct the event properly. Larry said he would get them whatever was needed for this year's event.

Joe Barone brought up the fact that the upcoming events are not more visible on our website. He suggested that as the event dates become more current, that particular flyer be more visible on the website. Larry will talk to Tim regarding that issue.

Tom discussed the food situation at the Firehouse for the Friday night cruises. It is very hard to predict the amount needed. Last month kitchen reduced the quantity of dinners based on previous turnout and ran out of dinners. Fingers crossed – potato chip chicken for June cruise.
