New Business:

From the cruise we received 4 new membership applications. The names were read and a motion was made by Mark Rawlins, 2nd by Joe Barachie to accept, motion carried.

There is a schedule conflict with our date for the September cruise of the 25th. A motion was made by Tim Koch to push the cruise back to the next Friday, October 2nd, 2nd by Mark Rawlins, motion carried.

There was discussion as to rain date for our cruise nights. Tom Whiteley will contact Jerry Dotter to get his input as to whether the next Friday or possibly some time on Sunday will work.

We discussed changing the cruise night start time to 5PM. After much discussion it was agreed to stay with 6PM.

There was discussion about the food issue at the first cruise. The fire company knows and will work on fixing the problem. A side note, Tom Whiteley said the fire company offered to cover the cost of the first 100 dash plaques for the April 24th cruise.

Joe Barone ask if there is a way the fire company could park a truck across the area from the marquee sign to the building so cars wouldn't get in without going through the proper registration route.

We will need volunteers to help park cars so the parking lot gets filled from the highway back and to get proper spacing between the cars.

The DJ needs to be used more efficiently for announcements, white boards will be used to notify raffle winners rather than calling out the numbers.

There was discussion about the door prizes. We will try do get more items, preferably have 10 to 12 items for each cruise. Again using the white boards to show winning ticket numbers.

On May 8th, Wilma, Joe, Phil and Barbara got together to audit the books. Phil Botti is now our official club Treasurer.

We had the first drawing for the cars to be used on the dash plaques. For the May cruise Phil Botti and Ed Bailey's names were picked.

Phil Botti brought up the Pocono Record page that's in the Sunday paper called My Ride. Every week they have a story about someone or something ride related. We can submit club members and their photos. Also the add for our club must be updated to reflect the changed location and dates for the cruises.

With there being no further business, a motion was made to adjourn by:

Joe Barone
2nd by Ed Bailey

Meeting closed for business: 8:15PM

Respectfully submitted,
Tim Koch, Secretary
