New Business:

Joe Barone was in contact with a representative at the Pocono Raceway to get tickets for both of the races this summer. We received two (2) tickets for the June race and will raffle them off as a fund raiser. The tickets are worth \$45 each and we discussed how to go about the raffle. After discussion the raffle tickets will sell for \$5 using the roll raffle tickets to keep the cost down. A motion was made by Sal Lopresti to use the roll tickets, 2nd by Frank Mertz, all were in favor, motion carried.

Joe Barone brought up an idea, which was used in the past, to put a members' car along with one of the Fire Co. trucks on this years dash plaques for the Friday Night Cruises. The first month we will use Joe Boyle's Vega. The remaining five months we will have a raffle to pick the members' car. An email went out to the membership to ask if anyone would like a chance for their car to be used. We received five (5) reply emails and at the close of this business meeting we had five (5) more requests for a total of ten (10) members sign-up.

Jerry Dotter of the Penn Forest Fire Co. spoke about what they are doing for the cruises for their food and drink. He discussed how they plan to close off certain areas of the driveway/parking lots to eliminate any vehicle hazards. He also mentioned that the Carbon County Vocational Technical School allows postings on their color electronic sign at the top end of North Street in Jim Thorpe for a minimal fee.

Joe Barone, his wife and Holly Riviera of the Fire Co. got together to design a flyer for the April 24th cruise. The flyer will be posted on the calendar page on the website for members to print, post and distribute.
