**Webmaster Report:**

Deb stated that the 10 unpaid members were removed from the email blast list and the birthday list. She told us that the Mahoning Drive-In Car show is all set and confirmed for May 3. She also gave us more information about the offer from Christ Evangelical Free Church's offer to have a car show there but after some discussion it was decided to hold off on another new venue until next year since we need all hands on deck for the 25<sup>th</sup> Anniversary show.

**Old Business**

Larry asked Steve if there was any update on the plans for the Anniversary show. Steve said he got one new vendor and got a commitment from Channel 69 to cover the event. They will send a reporter, He also asked if Steve spoke to the owner at Tri-Boro regarding the possible overflow of cars and where to put them. Steve said he would like to get a group together and go down to Tri-Boro and speak to the owner personally regarding the overflow situation. Steve also mentioned if there is no excessive rain, the grassy area would be available for additional cars.

Special registration cards with the Club logo will be made up for the show and for use at all subsequent Jukebox Cruisers Car Club shows.

Joe Curran will let Judy know what information should be on the cards. Milan Printing will design and print them.

Judy was instrumental in getting Milan to design 2 templates for the 25<sup>th</sup> Anniversary flyer and brought the proofs to the meeting for a vote. The flyer with the cars in the center and Jukebox Cruisers Car Club in red, white and blue won the vote 14-2. Dave Kost made a motion to accept the popular vote, Harry Lewis seconded, all were in favor, motion carried. Joe Barone suggested they remove the border and enlarge the type. Judy will check with Milan Printing to see if they can do that.

Larry asked Frank about the America 250 meeting. It appears each town/borough is doing their own thing. We may get a call from a few of them to participate.

Larry reaffirmed the set up for the Cruise schedule with the Firehouse.

All pieces for the Newsletter are in and JoAnne sent Larry the final draft to approve before printing and mailing. Renewal forms, cruise schedules and membership cards are printed and ready for mailing.

Larry will email all the changes for the by-laws to JoAnne and the first draft will be brought to a future meeting for discussion.

Larry asked Joe if there was anything new on Pizza Como. The owner is very excited and will make a banner. Joe will find out what time the event should start.

The list of organizations to receive donations from our Club was tabled until a later time.

### **New Business**

Harry brought a flyer to the meeting tonight confirming that Mahoning Post Acute Nursing & Rehabilitation Center will be joining with the Club for a car show on August 1 with a rain date of August 2.

Joe Barone asked about the cost of Wix for our website. It was suggested that maybe we should look into considering an outside source to maintain the site or maybe put out an email blast to all members to see if there is anyone who does this for a living. Larry wants to give the website a more professional appearance. Joe Barone has contacted a source that may be interested in handling this. He is waiting for a call back with specific details. He will have more information at the next meeting.

We received the sad news that Andy DePierro a member of our Club passed away on January 28. There will be a Celebration of Life for him on February 28 from 11:00 – 1:00 at the Schaeffer Funeral Home, 300 Alum St, Lehighton, PA. JoAnne will make arrangements for a plant to be sent to the funeral home in time for the service.

With there being no further business, a motion was made by Joe Curran to adjourn, seconded by Steve Berger. All were in favor, motion carried. Meeting closed at 7:57 PM.
