Old Business:

It was suggested that we should follow up with a survey to the membership regarding the type of picnic they would like to have along with the time of year to have it.

New Business:

Larry recapped all of the New Business from the last meeting

He followed up with the Penn-Kidder PTA and gave them several ideas for a fund raiser. He also sent out a blast regarding an ice cream run and will let us know the results of the survey.

He reminded everyone about the Mahoning Valley Nursing Center car show on August 20th.

Roger Knieriem met with Tim regarding the web site. Tim told Roger he does not want to give up the tasks he is currently performing. Roger volunteered to do the media portion of the web site. He will create an archive section, cruises and show section and a meeting section. He has asked the members to send him pictures from car show events, cruises or anything pertaining to the club. We hope this will make the web site more interesting to view. The media portion will be put on an external drive so no data or images will be lost. It was also stated that no political stuff would be posted so be sure any pictures sent to Roger does not include any political "propaganda".

Steve Berger, Joe Barone and Tony Przasnyski attended the Zinc City Car Show. 5 trophies mounted on wood were awarded.
